Questions and Responses

Q1: Will the consultant selected for this position be precluded from being selected for the construction management of the projects reviewed?

R1: No

Q2: Please clarify the hours to be worked.

R2: Up to 40 hours/week November through March; possible limited hours the rest of the year.

Q3: Is the option for two one-year submittals applicable if this only lasts for a six-month time period, as stated in the Purpose and Need section?

R3: The contract period will be one year with most of the hours worked November through March.

SW-01	5080-09-03	Replace the pavement. Advanceable PSE is 5/1/2023.
SW-01	5080-09-03	Replace the pavement. Advanceable PSE is 5/1/2023.

Questions and Responses

Q1: Will the consultant be performing structure work?

R1: No

Bimonthly Solicitation Questions and Responses Report

Q2: Does WisDOT anticipate screening the project or is a Section 106 Review required?

R2: Screening may occur following a preliminary impact review. Archaeological review will be determined depending on culvert replacements. Historical review will be determined depending on curb ramps in Loganville.
